ProductSheet
HP 240R 14 inch G10 Notebook PC (C78E4AT)

Flexibility meets affordability for on-the-go pros

The HP 240R G10 laptop provides essential business-ready features in a thin and light design that's easy to take everywhere you go. This 14-inch laptop with an Intel® processor[2], fast memory, and plenty of storage is powered for productivity—all at a price you can value.

Performance meets portability
Deliver essential laptop performance with choices from a variety of features, perfect for growing business.

Reliability and durability tested
Undergoes MIL-STD testing[3] to help ensure your HP 240R Notebook meets or exceeds HP durability standards.

Enhanced Sign-in Security (ESS)
Ensure data protection and reduce the risk of breaches and spoofing attacks with ESS[4] for biometric authentication.

Featuring

Fast and efficient wireless LAN
The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit-speed Wi-Fi 6. [1]

Be your best virtual self
Sometimes in life, only a face-to-face conversation will do. Thanks to the HP HD camera with wide dynamic range (WDR), you always come off looking your best during virtual conferences in bright and low light conditions.

Specifications

Operating System Software	FreeDOS 3.0
Product Color Description (fixed)	Dark ash silver
Processor Family	Intel® Core™ 5 processor
Processor Name	Intel® Core™ 5 120U (up to 5.0 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads)[6,7]
Standard Memory Description 01	8 GB DDR4-3200 MT/s (1 x 8 GB)
Memory Slots	2 SODIMM
Hard Drive Description (01)	512 GB PCIe® Gen4 NVMe™ M.2 SSD
Graphics Card Segment 01	Integrated
GScardseg 01 Available Card 01	Intel® Graphics
Display Description (metric)	35.6 cm (14") diagonal, HD (1366 x 768), SVA, anti-glare, 250 nits, 45% NTSC
Display Description	14" diagonal, HD (1366 x 768), SVA, anti-glare, 250 nits, 45% NTSC[9,10,11,12]
Audio Features	Dual stereo speakers, dual array microphones
Product Dimensions (metric)	32.37 x 21.5 x 0.93 cm (front); 32.37 x 21.5 x 1.32 cm (rear) *(Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)*
Product Dimensions (imperial)	12.74 x 8.46 x 0.36 in (front); 12.74 x 8.46 x 0.51 in (rear) *(Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)*
Weight (metric)	Starting at 1.4 kg *(Weight will vary by configuration. Does not include power adapter.)*
Weight (imperial)	Starting at 3.09 lb *(Weight will vary by configuration. Does not include power adapter.)*
Package Dimensions (metric)	6.9 x 44.9 x 30.5 cm
Package Dimensions (imperial)	2.71 x 17.67 x 12 in
Keyboard	Full-size, textured, Jet black keyboard
Pointing Device	Touchpad with multi-touch gesture support
Integrated Camera	1080p FHD camera with temporal noise reduction
External I/O Ports	1 USB Type-C® 10Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4, HP Sleep and Charge); 2 USB Type-A 5Gbps signaling rate; 1 AC power; 1 HDMI 1.4b; 1 stereo headphone/microphone combo jack *(HDMI cable sold separately.)*
Wireless Technologies	Realtek Wi-Fi 6 RTL8852BE-VT 802.11a/b/g/n/ax (2x2) and Bluetooth® 5.4 wireless card
Power Supply Required	HP Smart 45 W External AC power adapter[15]
Battery Type	HP Long Life 3-cell, 41 Wh Li-ion polymer
Battery Weight (imperial)	0.39 lb
Battery Weight (metric)	177 g
Sustainability Specifications	Recycled plastic cushions; HP paper-based packaging is from recycled or certified sources; At least 10% post-consumer recycled plastic; At least 5% ocean-bound plastic in speaker enclosure; Low halogen; Bulk packaging available
UPC Number	(ABM) 199642170841; (AC8) 199642190818; (ACH) 199642170834
Manufacturer Warranty	HP Services offers 1-year or 3-year limited warranties and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty except for Long Life batteries which will have same 1-year or 3-year limited warranty as the platform. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

Messaging Footnotes

[1] Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs. The specifications for Wi-Fi 6 (802.11ax) are draft and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the PC to communicate with other 802.11ax devices. Wi-Fi® supporting gigabit speeds is achievable with Wi-Fi 6 (802.11ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[3] MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

[4] ESS is enabled by default on Copilot+ PCs and requires compatible hardware and software components.

Technical Specifications Footnotes

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboboost/ for more information.

[9] FHD/HD content required to view FHD/HD images.

[10] Sold separately or as an optional feature.

[11] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[12] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

[15] Availability may vary by country.
